Thriller Film Analysis Worksheet

After watching the thriller film of the month, answer the following questions with detail in paragraph form. You may complete more than one of these film analyses for extra credit.

1. Which thriller film did you watch?

2. Choose one scene from the film you watched and describe in detail what happened in the scene. Why did this scene make in impression on you?

3. Identify the thriller tactics used in this film, or the ways in which each film sought to create intense scenes:

4. Filmmakers use a variety of tools to communicate their message. Delve deeply into the tactics used in ONE of the films shown. Give two specific examples of how elements of the cinematic art, such as lighting, shot framing, camera angles, camera movement, color, editing choice, or length of take, audio effects or music were used by the filmmakers to get their point across.
