Directions

After having read through the syllabus, complete the following checklist and place your initials next to each completed assignment/agreement. If technical difficulties have impeded your ability to initial any of the following, discuss that with your instructor. **YOU MUST DIGITALLY SIGN THIS ON YOUR IPAD AND SUBMIT THE DOCUMENT ON SCHOOLGY WHEN YOU HAVE COMPLETED IT.**

_____ I have read and agree to (or can at least tolerate) the terms listed in the syllabus

_____ I have logged in and can access this class in Schoology

_____ I agree with the statements made in the BCCHS Student Handbook about ACADEMIC EXCELLENCE, and I will commit to fulfilling what is expected of me to attain academic excellence. I will not plagiarize, copy or borrow other students' work, borrow or copy other students' study guides, purchase or "inherit" previous students' work or exams, or work collaboratively on take-home exams in an effort to seek answers. Any questions I have, I will seek from the Guardian of the Temple of Knowledge (Mr. Fairbanks). If I break the agreements made in the Student Handbook on ACADEMIC EXCELLENCE, then I will allow the Guardian of the Temple of Knowledge to perform a ritual sacrifice for all to see and publicly burn me at the stake to atone for my sins (in other words, my instructor will give me a zero on the assignment, give me 4 hours of detention, remove me from the class at semester, and write a letter to my prospective colleges that I am not capable of honest work at the college level).

_____ I commit to ensuring that all of my presentations (whether class videos, speeches, or debates) will be appropriate for class demonstration, and I will be respectful of my peers, my instructor, and the Catholic School System to the best of my ability.

_____ As part of a caring, faith-based classroom, I will follow a policy of acceptance, respect and inclusion in regard to all of my classmates. I acknowledge that everyone is welcome in this classroom regardless of their circumstances and background. I will refrain from comments/jokes/slang or any other communication that is personal in nature or intended to make others uncomfortable in the classroom. I will work cooperatively with any and all students in this class.

_____ I understand that the projects that I produce in Film Editing & Design (FE&D) are the property of Billings Central Catholic High School (BCCHS). I understand that even if Hollywood calls, or if one of my creations creates a pop sensation on the Billboard Charts, BCCHS retains full property rights of the materials that I create. Projects created for FE&D can and will be uploaded to the class YouTube page and website. I understand that I can request that one of my creations not be uploaded (at the instructor's discretion), and I can upload my projects onto my own social media sites or YouTube page, but BCCHS retains the rights to any of my class creations.

_____ I understand that as a student of FE&D I will be held responsible for the equipment that I will be using. If any FE&D equipment is lost, stolen, damaged or destroyed while in my possession, I will be held legally and financially responsible, and it is my responsibility to repay BCCHS within a reasonable amount of time.

_____ I understand that when I use FE&D equipment (either in school or when checked out from the building) that I retain no rights of privacy, and I will be sure to use that equipment for projects and purposes that fulfill the mission of BCCHS and FE&D. I will not install any software or games without my instructor's consent, nor will I install any illegal software. I will not use school equipment and resources for any purposes other than those agreed upon with my instructor before checking out the equipment. I will keep the equipment safe at all times and will be held responsible for any problems involving the equipment, whether through physical damage, mishandling, loss, theft, or inappropriate usage.

_____ I understand that as a student of FE&D I will be allowed restricted access to the Internet and full access to research YouTube. I will use the Internet resources, cameras, computers, and other equipment for appropriate class purposes, and I will not engage in any kind of inappropriate subject matter.

_____ I understand that as a student of FE&D I will work my hardest to ensure that I help my classmates create the best projects, with the most professional quality possible. I understand that in a class of this kind, the grading process is often subjective, and I will therefore work assiduously to create projects that meet or exceed the overall goals of the class, I will keep myself busy during class time, and I will volunteer to participate in the class projects outside of class time as frequently as my grade requires and my schedule permits.
