## **Black Swan Film Noir Analysis Worksheet**

Complete the assignment by answering each question in paragraph form. Answers need to be complete and comprehensive, demonstrating that you paid attention to the film and thought about what was shown on the screen. You may use more than one paragraph if necessary. Be sure that the topic sentence of your first paragraph uses key words from the question.

oras	ras from the question.		
1.	Based on our class discussion, what are the elements or styles of Film Noir filmmaking. List 4-5 elements of Film Noir:		
2.	In what ways does <i>Black Swan</i> fulfill the characteristics of a Film Noir (be specific)?		
3.	How did the film use production design (costuming and set design) as well as cinematography to convey a Film Noir style?		
4.	Choose one scene from the film and describe in detail what happened in the scene. Why did this scene make in impression on you?		

5.	Filmmakers use a variety of tools to communicate their message. Delve deeply into the tactics used in ONE of
	the films shown. Give two specific examples of how elements of the cinematic art, such as lighting, shot
	framing, camera angles, camera movement, color, editing choice, or length of take, audio effects or music were
	used by the filmmakers to get their point across.

6. Young filmmakers often learn best by borrowing the tactics used by experienced masters of the art. Choose one or two things that stood out about ONE of the films shown that you would like to be able to mimic in your own films, or describe something that you would like to learn how to do as a result of seeing this film. (Examples: method acting, cinematography, special effects, music/audio scoring, directing, specific film tactics). NOTE: You should try to pick things that you feel you are capable of applying to your own movies and that you can learn with research and practice – not with a major Hollywood budget.
